Dear Dr. [Editor in Chief name],

I would like to submit the manuscript entitled "**[Title]**" to the *Journal of Health Research* as a **[article category]** paper for possible evaluation.

[Please briefly introduce your manuscript, describe the research methodology, and summarize your work—highlighting the significance of the study and its potential impact on public health or public health sciences.]

Correspondence regarding this manuscript should be directed to **[Your Name]** at the following address, email address, and telephone number.

I confirm that this manuscript is original, has not been published previously, and is not currently under consideration for publication elsewhere.

If generative AI tools were used for language editing or assistance, authors must include a declaration in the "Declaration" section, along with the following statement:

During the preparation of this work the author(s) used **[NAME TOOL / SERVICE]** in order to **[REASON]**. The author(s) reviewed and edited the content as needed and take(s) full responsibility for the content of the published article.

Thank you very much for your consideration of this manuscript.

Sincerely yours,
[The signature of the corresponding]
