

How will you (or do you) use Maps in your classroom?

| Name<br>(twitter<br>handle) | Idea                                                                                                                                                                               | link to map (if<br>possible) |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------|
| @mstadeo                    | -My students are<br>creating portfolios for<br>AVID, and I can't wait to<br>add a map component<br>to map out where they<br>aspire to go to college<br><br>-I'm thinking I want to |                              |
| @nowatechi<br>e             | For state reports, have Ss<br>plot interesting places,<br>famous ppl birth sites...                                                                                                |                              |
|                             | 4th grade share 1 map,<br>have Ss plot missions &<br>trail                                                                                                                         |                              |
