Venue - Pesopark

[Pesopark](#) is the new, large, modern and comfortable area for different dog activities located in Prague 10-Uhřetěves. Perfectly aligned surface with short cut grass offers ideal conditions for treibball races. There is also the comfortable Pesobar offering refreshment during the whole day and also lunches during the races.

Accommodation

There are many accommodation possibilities close to Pesopark. 20% discount for Pesopark visitors is offered at the [penzion Český statek](#) . The accommodation is also possible in the nearby [Prague Central Camp](#) .

Catering

Small refreshments and both cold and warm drinks are available in the Pesobar during the whole day. The lunch will be delivered according to your order from the nearby restaurant.

Female dogs in heat

Participation of female dogs in heat is possible only with the organizer's approval. Female dogs in heat have to be reported in advance and they will start at the very end of the races.

Other information

The dog handler participates in the event at his/her own risk. The handler is responsible for any damage to property and personal injury to other people or dogs caused by his or her own dog. Free running of dogs during an action is not allowed. The owner is responsible for the cleaning of dog excrements and rubbish in the area and in adjacent areas of the premises.
