## **Lesson 2: The Stone Age Diary Assignment**

### **Create a “Dear Diary” Entry**

Pretend you woke up in the stone age ... What are you feeling, thinking and doing?  
What is your day like?

Or pretend you are from the Stone Age and it's just a normal day for you... What happens?!

**Grammar:** Complex/compound sentences that flow, using descriptive words and detail.  
At least 5 adjectives are used (underlined). Min of 5 sentences.

**Content:** Information is accurate for the Stone Age Era, and at least 5 correct facts from class video/notes are clearly mentioned and include sufficient detail/explanation.

Please write it on a lined piece of paper double spaced with neat printing and staple this to the front of it.

\*If you prefer to type it and share it with me on google docs, you must still hand this sheet into the in-bin so I know it is ready to be graded.
