Pulling together the necessary funding for your community's trail project can be a complex endeavor as you choose amongst various federal and state grant programs. Join Amber Vaillancourt from MassDOT, Amanda Lewis from the Department of Conservation and Recreation, and Melissa Cryan from the Division of Conservation Services as they provide an overview the grant programs that can help fund trail projects and their requirements. The Complete Streets Funding Program, the Shared Streets and Spaces Grant Program, MassTrails, PARC, and Land and Water Conservation Fund Grant Programs will be discussed, along with sample projects, with plenty of time for discussion at the end.
