BHS Honors Chemistry-(Summer Assignment)
Teacher – Kim Jones

Welcome to Honors Chemistry!
Your summer assignment involves reading the book, "The Disappearing Spoon" by Sam Kean. Sam Kean's **The Disappearing Spoon**, tells the story of the periodic table from how it began to the newest found elements today.

Summer Assignment:

1. Join google classroom, "Honors Chemistry Summer Assignments"
    - (Class code: iwetmnj)
2. From google classroom, you will receive assignments on your reading
    - Key vocabulary terms
    - Questions from each chapter in the book.
    - The vocabulary terms and questions will be a great tools for self-assessment.
3. You will need to turn-in all assignments during the first week of school in August
4. *You will be tested on the book during the first full week of school in August and we will continue to complete assignments and discussions throughout the year.*

Have a wonderful summer and see you in the fall!
Kim Jones
