Go to your

Academic Plan

Review and add courses to your plan starting with the next school year.

- There might be many courses already in your plans that meet graduation requirements.
- **Remove** planned courses, by clicking on the **X** next to the course number.
- **Search and add** courses by typing the course name in the course catalog or grade/subject area box.

Make sure to plan a **total of 32 credits per year** and 3 alternate courses. **Check your work and SAVE!**
