Please review this information in regards to the Homework Hotline program, which *provides middle school students in-person help from a certified teacher*. This opportunity provides a quiet place to study, get work done, and/or receive extra help. Teachers from various subjects will be on hand to assist students with school work including homework, miscellaneous assignments, and/or projects. Here's what you need to know:

Location: A110

Time: 2:30 - 4 PM

Dates: See the calendar on page 2

All participants must agree to the following:

- Arrive at Room A110 with all belongings immediately following dismissal.
- Keep conversations with peers to an appropriate content and volume level.
- Bring enough school work, this may include independent reading. This is a time to get extra help on your WORK!
- The [Code of Conduct](#) will be in effect. Failure to comply with the above conditions will result in referral to an administrator, which may result in a suspension/removal from the program (length of suspension to be determined by the administrator). Additional consequences may apply.
- When large numbers attend Homework Hotline on a given day, students will be separated into different classrooms with a facilitator.
- **The FIRST Homework Hotline Session will be Tuesday, September 30th**
- The LAST Homework Hotline Session will be Thursday, May 28th

TRANSPORTATION: Two buses will provide transportation after each session. Review the included bus stop list (**pages 4 and 5**) and **select bus 'A' or 'B' on the permission slip**. It is important that your child knows the stop you expect them to use, as this stop will most likely be different from their regular bus stop. To ensure a quick and short trip home, **we encourage families to pick-up their student(s) from school no later than 3:50 PM at door 21.**

A completed permission slip with parent/guardian signature is required. Please complete **page 3** of this packet and have your student(s) return to their homeroom teacher. **KEEP THE CALENDAR FOR YOUR RECORDS.** Students may attend as needed and do not need to attend every scheduled session.

Thank you for your partnership!
