

Netherlee Nursery Class
Fri 10th March - Fri 17th March 2023

Saplings

Children may engage in some of the following play experiences.

Spark: The children have been making numbers in the outdoor environment.

Focus: Natural Material Numbers

The children will be continuing to form numbers from natural materials outside.

Spark: The children have been using gardening tools outside.

Focus: Spring Garden Tidy Up

The children will be using real tools to weed the garden and continue to develop our outdoor space.

Spark: Children have been talking about how much things cost.

Focus: Underwater Treasure

The children will be hunting for sunken treasure in the water area, looking for money and trying to name the coins they find.

Spark: It is Diversity Month in Netherlee.

Focus: Flag Painting

The children will be exploring different flags, comparing their patterns, colours and shapes. They will then be trying copy or create their own flags to decorate the nursery.

Spark: The children have been noticing numbers in different books.

Focus: Number Sense

Children will be using their fingers to count and show that there are lots of ways to make the same number with their fingers. This will help to develop their number sense to five and ten.

Spark: It is Diversity Month in Netherlee

Focus: Map of Europe

Children will be exploring maps of Europe and discussing how people live, speak and eat in different countries.
