

Dear Prospective Sponsors,

Little Falls Theatre Co. promotes arts education and enrichment by providing creative opportunities for local artists and technicians as well as cultural entertainment for local audiences. This is LFTC's sixth season and we are excited to produce Meridith Willson's **The Music Man**. There are many types of costs associated with putting on a production: royalties, music and sound effect costs, stage construction, costumes, props, set pieces/furniture, facility and utility expenses just to name a few. We count on the generosity of sponsors, donors, and in-kind services to help keep theatre arts alive in Little Falls. As we prepare for our upcoming season, we are reaching out to local businesses and community leaders for support.

Supporters are people like you who believe in our non-profit mission to educate youth and adults in theatre arts so together we can bring exciting stories to life through live theatre. It's a great way to make a difference and give at a level that is right for you. We appreciate your support for Theatre and look forward to building relationships with our local businesses as Little Falls Theatre Company continues to grow.

There are a variety of partnership opportunities available for you to show your support: **Please see the back of this letter for Sponsorship Levels.**

If you have any questions or would like to discuss additional ways to lend support to the LFTC please contact us at lfsummermusical@gmail.com or you can contact us at 320.360.4845. **Payment and artwork are due before July 15, 2024.**

Respectfully,

Debra Yliniemi-Ahlin and Emma Ahlin
LFTC President LFTC Director
