

# Scary Stories for Young Foxes

Christian McKay Heidicker wrote "Scary Stories for Young Foxes," and he did a wonderful job. When I first started this book, it took me a minute to get into it. Remember, I always tell you to keep reading and not give up, and I am so glad I didn't quit. I ended up really liking this book! This author lives in Salt Lake City! This book was given a Newbery Honor and it deserves it. I love the way this story is written. It is very creative and slowly draws you in. It is the story about a little family of foxes who sneak off to a storyteller to hear a very scary story. It is scary if you are a fox! You will be drawn into adventure, kidnapping, and survival. Many of the foxes get too scared and run back to their mom, but luckily some remain so the reader can hear the story in its entirety. I could never figure out what was going to happen next, but I loved all the brave characters. Please read this, you won't be disappointed! I loved it!
