Check In / Warm-Up

Please check in at least 20 minutes prior to the start of your event.

If you are playing in the first bracket of the day (10:00 on Saturday or 10:30 on Sunday), plan to complete your warm up BEFORE your start time. Courts will be available at first light, and the player check-in desk will open one hour prior to your start time.

If you have a later start time, we will give you time to warm up before your bracket begins play.

Format of Play

This is a round robin tournament. You will play all teams in your bracket. The top 4 teams at the end of round robin play will advance to a medal playoff, first and second place competing for gold and third and fourth place competing for bronze. Tiebreakers will be based first on head-to-head play, then total points scored.

All matches will consist of one game to 11, win by 2, one timeout per team.

Tournament Director reserves the right to change format as needed.

Rules / Referees

This tournament is not sanctioned, but all 2023 USA Pickleball rules apply. It is the player's responsibility to be familiar with these rules, which can be viewed at USA Pickleball Rulebook.
