RE: Curbside Cart Service

Dear Valued Resident,

We would like to thank you for entrusting us to provide you with your collection services. Please rest assured that we have been in the waste and recycling industry for over 25 years and have programs in place and professional staff to help you with any concerns you may have.

With MWM transitioning to a paperless system we are now using a QR code to provide the information necessary for your curbside pickup.

If you do not have a phone, you can stop by the RM office to pick up a welcome package if needed.

SCAN ME with your phone camera
to get even more information on
waste and recycling collection!

MWM Environmental offers a program for senior and individuals with disabilities who require assistance getting their cart to the curb. If you are unable to move your cart from your home to the curb our operators are more than happy to assist you and will even return the cart after it's been emptied. If you would like to be a part of this program, you can reach out to the RM Office.

We would also like to invite you to check out **Recollect**, a program that enables you to print off collection calendars and receive reminder notifications. We do strongly recommend signing up as this also gives us the ability to communicate with you if there is a delay in service or moved to another day due to weather or road disruptions. You can access this program by going to our website **MWMEnviro.ca** scrolling down our homepage to where it says, "Never Miss a Curbside Pick-up Again". Here you can enter your address or lane number (should auto populate your entire address) and hit search. You can print off a collection calendar for the entire year and sign up for service reminders that will inform you of your collection day via your choice of email, phone, or Google calendar. If you require assistance, please do not hesitate to contact us and we would be more than happy to walk you through the steps.

Should you have any concerns with your cart or service please contact our office at 204-483-3986 or email us at info@mwmenviro.ca.

We look forward to service you!

MWM Environmental Team
