

Year Group (Year 10C Photography)

Title of Homework: Documentary Project

Estimated Length of Time: 6 Hours

Learning Outcome: To show and understanding of photographic skills and research through a personal documentary project.

Instructions: Your summer homework is to complete 3 X photoshoot plans and 3 X photoshoots for your documentary project theme.

What to include in your plans:

This must include

- ☐ 2-4 drawings of your intended outcomes
- ☐ What will you need
- ☐ Skills and techniques you plan to use
- ☐ How it links to your project theme

What to do for your photoshoots:

This must include

- ☐ Taking at least 20-30 photographs (for each subject)
- ☐ Choosing the best 10 images that show your theme or subject clearly
- ☐ Display and annotate in sketchbook
- ☐ SAVE IMAGES TO THE GOOGLE DRIVE.

If you are not up to date with your coursework, you must make sure to take the time to catch up on any missing work. Remember the work you are doing now will be 60% of your GCSE grades.

Use the checklist to make sure you are up to date.
