First semester conferences will take place on Thursday, October 10th, from 1:00-7:00 PM and Friday, October 11th, from 1:00-6:00 PM. All parents will be invited via email to sign-up for conferences on September 30th at 5:00 PM. Keep an eye out for conference reminders and tips in our weekly communications.

Summit Attendance Policy & Reminders

Please do your best to schedule travel plans during time when school is not in session and avoid extended breaks/vacations. If you have a planned absence of three or more days, families should notify the office and have your student check in with Mr. Gutierrez to obtain a pre-arranged absence form **at least 5 school days before the absence**. Students will have an additional two days during a pre-arranged absence to complete any missed school work, so please make sure they are checking schoology and keeping up with assignments as much as possible. ***Please do not contact teachers directly regarding your student's absence.***

Students are allotted ten excused absences in a school year for any reason. The office must be notified of absences by guardians in order to be excused. All absences beyond the allowable ten days will be unexcused unless a doctor's note is submitted to the office. Additionally, a student arriving to any class period 20 minutes late will be marked absent for that period.
