

# Easter Fun Activities

Below is a list of fun activities you could complete over the Easter holiday!

## Arts & Craft based activities

Design and create your very own board game to play with family members.

Take up and learn a new craft skill, e.g. sewing, knitting or embroidery.

Tie-dye, paint or decorate an old t-shirt or item of clothing and make it new and fresh.

Design and sew your own hand/finger puppet using old clothing and materials.

Make shadow puppets and put on your own performance of a traditional story.

Build a miniature garden from using items from around the house.

Construct your very own mask based on an animal, monster, mythical creature or even your favourite superhero.

Set up your favourite toys and draw around their shadows. Make interesting scenes then colour, paint or decorate.

Cut up coloured paper, old magazines or coloured materials and make your own marvellous mosaic!

Using a large sheet of paper or old cloth, create a large art mural by painting your hands and feet!

Using lego, create and build your very own wonderful designs, objects or dioramas!

Create your very own comic strip! Design your own characters and draw their adventures!

Outdoors and PE based activities

Create an indoor/outdoor obstacle course for you and your family to take part in.

Make and build a den outside in your back garden. You could even sleep over night (if it's warm).

Go camping in your back garden!  
Set up your tent, pack camping treats and sleep under the stars!

Using your old recycling, cartons and bottles, decorate and create your own bowling alley!

Host a mini olympics with five different events. Each player competes in a circuit!

Host a sporting tournament, e.g. seated volleyball, hand-ball with balloons or hula-hooping.

Set up your own penalty or basket-ball shootout. Challenge your family to see who will win!

Play 'keep-up' and see how many times as a family you can keep a ball or balloon in the air!

Play a round of tennis with the family. Challenge each other using the opposite hand!

Create your own fitness routine!  
Video it and send it to your friends and family to complete!

Create your own dance/zumba routine to your favourite pop song!  
Video and share.

Build a mini golf course out of old pots and tins in the back garden,  
Build obstacles for difficulty.

Extra Curricular, Cooking and Family based activities

Learn the British Sign Language Alphabet!

<https://www.british-sign.co.uk/fingerspelling-game/>
