

COMMISSION INFORMATION

Hello! I'm Kinky. If you're interested in commission me please send me your request via e-mail: xxxkinkyartist@gmail.com with the subject '**Commission Request**'

Send your description along with **references**. Don't forget to include the details of:

- amount of characters
- full body or hips up
- background
- what versions would you like (if there're more than one)
- how you're planning to use the artwork
- if it's private or public commission

MY RATES

- hips up **\$70**
- full body **\$85**
- each additional character **\$55** for hips up; **\$65** for full body
- background **starting from \$10**
- private commission **+50% of overall price**

These rates are basic, it means the final price is defined by the complexity and may vary.

I prefer the full prepayment via PayPal.

Please wait until I give you my PayPal address, don't send any money before.

PROCESS

Usually the full turn around takes 1-2 weeks per 1 illustration.

First I send you a sketch for approval. We fix it if needed and then I'm proceeding to line work. Send you an outlined work when it's done. The same with colors. I can send you as many WIPs as you like.

I would appreciate your patience to get the best result of the artwork!

THINGS I WON'T DRAW

- furry
- real people
- comics
- scat / watersports
- gore

PRIVACY

All commissions are displayed in my Hentai Foundry gallery and on my Twitter account. Please let me know if you want to keep your commission private. If you want to monetize my work, it also has to be discussed and the price will change.
