

BIO-ETHICAL / OTHER CLEARANCE UNDERTAKING

Certified that the institute takes the responsibility of implementing the Science and Engineering Research Board approved **CRG project** awarded to _____ (**PI name**) with the file number **File Number:** _____ (**file number**) by following the Ministry of Environment and Forests, Indian Council of Medical Research and **Department of Biotechnology, Government of India**, guidelines on IAEC / IEC / **IBSC** / IC-SCR and NAC-SCRT without any violations. I will also assure that necessary applications for the above clearances (whatever necessary) have already been submitted and approvals are awaited. The same shall be submitted before release of next instalment of funds. In-case I fail to get the requisite certificates from the competent committee(s) and project cannot be continued for the said reason, the money released will be refunded with applicable interest to SERB at the earliest. PI and institute will take full responsibility of the litigations arising (if any) in this regard.
