Rev. Dr. Gary Weaver, District Superintendent, announced the reason for the special church conference is to vote on ministry at the Rockville campus.

Sally Paff read the motion, "I make a motion to sell the church building at Linglestown Life's Rockville campus, located at 4386 N. 6th Street, Harrisburg, PA 17110, and the parking lot on Linglestown Road. To clarify, we are not selling the Ray's Place Community Center, nor the rental house that sits across the street from the church."

Question from an attendee: What was the money used for that came from the Rockville congregation when merged?

- Ministries and renovations at Rockville.
- Ministries at Linglestown Life
- Some money was placed in an operational fund for Rockville. In 2023, expenses at the Rockville campus were over $50,000.

Question from an attendee: What will the money be used for when the church building is sold?

- Per Pastor Rachel, the money will be used to continue ministries at Rockville (Ray's Place, etc) as much as possible. The money will not be used for mortgage reduction at LLUMC.

District Superintendent Rev. Dr. Gary Weaver encouraged attendees to attend the next Leadership Council meeting (May 20, 2024). He encouraged the Leadership Council to search records of where the money was spent and the money that is still in church savings from the sale of the Rockville parsonage.

We will continue to rent to the current renters at Rockville at this time.

Hal Hammaker called for a vote on the motion.

Rev. Dr. Gary Weaver requested the vote.
