

REEMBERTO CONSULTING

Why does Reemberto do what he does?

Driven by faith, family, and fun, I do what I do to leave the world better than I found it.

MISSION

To culminate my life's journey improving the lives of others locally, nationally, and internationally

VALUES

Commitment to accountability, mutual growth, interdependency and accompanying people with lived experiences

Embrace asset-based community and business development, servant leadership, and grassroots organizing

Spark, enthuse, and connect people across ethnic, cultural, and socio-economic perspectives

Embed racial equity and social justice in every aspect of life
