

WATCHMEN REFERENCE in eugenic episode - God exists and he is American

- Watchmen a good movie about consequentialism, the evil of protagonists, corruption, etc.
- Explain the premise of the movie and scene where blue guy is American
- The immense power was a relief once we found out it was on our side
- Self-interest disguised as benevolence

Medical and scientific propaganda there are a number of routes to take.

- First would be to look at history of atrocities because it's easier to see into the distant past than the present.

Medical Apartheid

Acres of Skin

Imbeciles

Pandora's Lab

- Don't have specific books, but also good to look at the science of eugenics and racism, Ota Benga, genocide justifications of Native Americans, etc

Move more into controversial topics, like vaccines

The Big Lie

Doctor Who fooled the world

For our section on medical propaganda we also explored the Christian side with how we handled the gay community
