FAQ

Q : How long do your written commissions take?

A : It entirely depends on the length and detail of the commission and times are subject to change. 3500 word commission can take about 3-6 weeks.

Q : What do you accept as payment?

A : Currently I only accept cash through PayPal, this may change in the future.

Q : How do I send payment?

A : Once we've finished discussing the details of your commission you will receive a PayPal invoice by email with the details and price of your purchase!

Q : Can I write a story inspired by the writing I've commissioned from you?

A : Of course!! Maybe avoid copying word from word but otherwise heck yes!!

Q : How do I receive the writing?

A : The commissions will be written in google documents which I will share to you once it is complete.

Q : Can I change your writing?

A : No, please do not rewrite my work, especially if it's over 1000 words. You can write your own story inspired by my writing but refrain from rewriting my work directly.
