

D **D**
You are the sea to which the river that I am flows
G **D**
and it's alright, yeah it's alright (2x)
A **G** **D**
And it's alriiiiiight, it's alright.

D **D**
You are the mountain that I run into for shelter...
G **D**
and it's alright, yeah it's alright (2x)
A **G** **D**
And it's alriiiiiight, it's alright.

D **D**
You are the wind that blows wherever that it chooses...
G **D**
and it's alright, yeah it's alright (2x)
A **G** **D**
And it's alriiiiiight, it's alright.

D **D**
You are the rain that lets the seed I am break open...
G **D**
and it's alright, yeah it's alright (2x)
A **G** **D**
And it's alriiiiiight, it's alright.

D **D**
You are the sun that grows the trees we are toward
heaven...
G **D**
and it's alright, yeah it's alright (2x)
A **G** **D**
And it's alriiiiiight, it's alright.
