The Power of Sleight of Mouth

What Will Sleight of Mouth Do For Me?

Part of the power of Sleight of Mouth is that it gives you more choices and flexibility of possible responses. You will never be at a loss for something to say. And with 14 different possible responses, odds are good what you'll have to say will be very good indeed.

Welcome to the closed-door world of high impact coaching and persuasion that is never taught publicly.

The few who have mastered these techniques no longer hear the word "No" in their day-to-day lives. All they hear is the word "yes."

And the coaches who master these skills have the ability to get any client to see there problem from new perspectives and make meaningfull changes.

These language patterns are the secret persuasion tactic behind the world's lawyers, politicians, sales people and coaches.

One Man's Real-Life

Sleight of Mouth Experience

My Office Was Leaking Money...

My name is Harlan Kirstein and most people know me as a successful copywriter and online marketer. But before I went public as a copywriter, I owned and managed the largest hypnosis clinic in the United States.

Each week I wrote full-page ads to bring in fresh leads for my sales staff to close.

Doing the math I found my cost per lead ranged from \$200 to as much as \$800.

When you are spending that kind of money on a lead, you can't afford to miss a single sale.

Unfortunately, my sales staff was only closing around 40% of their leads. My business was leaking money. So I did something outrageous.

I closed my office doors for three days and brought in a hired gun to train my staff.

I knew hiring **Doug O'Brien** to come and train my staff in Sleight of Mouth was going to be transformational.

Doug is way up there in the world of NLP. Trained and certified by Richard Bandler, one of the founders of NLP, he went on to be one of the leading trainers with Tony

Robbins. For three days, he taught my staff how to convert every no into a yes. And when he was done, the results were shocking. My salespeople were...

Closing 100% of All Sales

Susan my principal salesperson in my Davie office went on a rampage following the seminar. In the month following the seminar, she did not miss a sale. Our office set a new record which lasted all of one month because...

Nancy in my Miami office beat it the next month. The office staff could feel the excitement. The hypnotists were working full days with no breaks. And my bank accounts were swelling with huge daily deposits. And these sales went on like clockwork month after month.
