Hi Simon,

It's currently 1:10 am over here in Australia, and I'm from Nepal.

I would love to schedule a quick call in your favour any day after Sunday.

That way I can directly tell you the methods I'd use to help you improve your email marketing, Posts, and website copy.

Let me know what day and time you'd like to discuss.

Regards,
Ryan

Hey Simon,

I assume it's because of your busyness that you haven't responded.

But either way, what are your thoughts on the call?

Best regards, Ryan.

Hey Simon,

Hope you had a fun Christmas and a happy new year.

Is it a good time to chat?

Regards,
Ryan
