Project Name - version #
Prepared by **[name]** / **[company]**
Draft of **[date]**

scene #	AUDIO (voiceover + music + sound effects)	VIDEO (scene description, images)
0	<i>[Insert description of VO or audio elements.]</i> Example: <i>The video is narrated by a thoughtful, mature male voice. He is calm but resonant.</i>	<i>[Insert description of visual style]</i> Example: <i>The video is created in 3d animation. The palette is earthy; the shots are generally long. The action is set on a wild grass field in the American midwest, with the grass waving gently in the wind.</i>
1	Example: <i>What would happen if a kite weren't tethered to the ground?</i>	Example: <i>We see a 12-year-old girl holding a string that leads to a flying kite, in an extreme long shot. The grass comes up, nearly to her waist. Her father stands in front of her nearby, looking up at the kite.</i>
