An Ad Script For Upskilling with Data Science Course

Scene 1: Restaurant Table

(Three friends- Aditya, Rohit, and Jay, they are at a restaurant. They've just finished their meal. The waiter arrives with the bill.)

Waiter: Sir, your bill.

(Before Aditya or Rohit can react, Jay casually takes out his phone and pays the bill with a confident smile.)

Rohit: (A little shocked) Jay: (Chuckles) Arey bhai, times have changed! (Gets up) Main zara washroom se hoke aata hoon.

(Jay walks towards the washroom. Aditya and Rohit exchange puzzled glances.)

Scene 2: Conversation Between Aditya & Rohit

Aditya: (Whispers) Bhai, ye Jay ko kya ho gaya? Pehle hamesha salary ka rona rota tha, aur aaj dekho, ye kaunsa miracle tha?

Rohit: (Nods) Haan,main bhi wahi soch raha hun.
Aditya: Mujhe toh isse poochhna hi padega! Mujhe bhi ye wali confidence, ye wali akad chaiye bhai

(They both nod in agreement, waiting for Jay to return.)

Scene 3:

(Jay returns, adjusting his shirt with a confident smile.)

Rohit: (Teasing) rich flex bhai ! iska secret to hume bhi bata.

Jay: (Smirks) Simple, bhai! Upskill kia, data science course k saath, nayi job, naye perks.

Aditya & Rohit: (Shocked) Kya?!

Jay: Haan bhai, maine Learnnew se Data Science & AI course kiya. Live projects, industry mentors aur placement support—sab mila!

(Aditya and Rohit look at each other, they are impressed.)

Aditya: (Determined) Bhai, mujhe bhi nai jam rai meri ye job, main bhi try karunga. Link bhej na!

Scene 4: Call to Action

(Text appears on screen with upbeat background music.)
