

# Driving and Holy Family Parking Lot

The illustration above shows a map of the streets behind Summit Street School, and the parking lot of Holy Family Church, where families are allowed to pick up children, if coming off of Route 2A in Essex.

Drivers are advised to enter from Lincoln Terrace, off of Route 2A, and take a right on School Street to enter the church parking lot. Driving in a counter-clockwise direction, pick up children at the gate near the school, without parking. Then proceed back towards School Street to exit, or complete the circle to exit.

**Please, please drive slowly and follow the one-way direction of the parking lot to ensure the safety of our students!**
