

### **Ballyoulster UTD FC Female Liaison Officer**

Our club is very proud to be one of the first soccer clubs in the country to introduce female liaison officer's (FLO's) as a mandatory requirement.

A female liaison officer is the female official that is required to be a part of the coaching squad for every female team at the club. Our club is committed to have a minimum of two FLO's per team. The FLO's are easily identifiable as they will be wearing a Hi-Vis vest and will be on the side line of all coaching sessions and games in order for them to go ahead (training and matches are not permitted to take place without an FLO Present).

The role of the FLO is not to coach the players, it is to act as a liaison between the coaching staff and the players, and also the parents if required.

All FLO's will be subject to FAI Garda Vetting and also FAI Safeguarding before they are an approved member of the FLO team.

If you would like to become an FLO for our club, please contact a member of the committee or a coach who will point you in the right direction to get the process started.

As always, our club is lucky to have so many wonderful volunteers, and we thank you for your commitment and time.
