I understand farming is subject to variations of climate and that shareholders commitment is vital for CSA success. Due to the limited number of shares available, Garden Treasures LLC does not give refunds on purchased shares. Shares may be sold, traded, or donated by the shareholders to others or the farm if they are not satisfied.

Disclaimer: ONLY Harvest Share, Seedling Share, Taster Share members are eligible for 15% off all regular priced food items in our farm stand or farmer's market booth. This special discount only applies to food items at a regular retail price and excludes all discounted or on sale items, items sold by the Flat Box, and all Farm raw meats are not included.

Vacation and Missed Weeks:

Members may double boxes for vacation days or postpone boxes. 1 week notice prior to your vacation must be given to the farm by email or phone. Fresh boxes are generally available at the farm on Friday - Sunday for members who miss Thursday Pickup. Fruit shares will be only held until Saturday for quality purposes. Fruit shares won't be available for missing weeks without proper notification to the farm.
