Hello Mustangs!

I hope you are doing well! I know it's a strange time right now, but we are all working together to keep our community healthy. Home schooling is very different from what you are used to, but I encourage you to try your best and be really nice to your teacher!

I have a few read alouds uploaded on You Tube and you can search for my channel under Melody Dennert. I'm hoping to add more each week and plan to launch a little gardening show to share some botany and science with you.

You are in my thoughts daily and I miss you all!

Sincerely,
Mrs. Dennert
