

Unit 19 Drawings, Surfaces and Textures

Grade: **Input here**

Drawings, Surfaces and Textures		
Name:	Date:	I.V.

Grading Matrix *(Please flood the grade attributed to each criteria on the grid.)*

Learning Outcome		Assessment Criteria		Fail <i>The students work demonstrates:</i>	Pass <i>The students work demonstrates:</i>	Feedback
LO1	Understand a range of surfaces and textures through drawing	1.1	Identify a wide range of surfaces and textures.	little or no evidence of a range of surfaces and textures has been identified	the ability to identify a wide range of surfaces and textures	
		1.2	Produce drawings which explore the characteristics of a wide range of surfaces and textures.	little or no evidence of the production of drawings which explore the characteristics of a wide range of surfaces and textures.	the ability to produce drawings which explore the characteristics of a wide range of surfaces and textures.	
LO2	Be able to influence appearance and meaning in drawing through the use of surface and textures	2.1	Produce a range of drawings in which the description of surfaces and textures influences the appearance and meaning of the drawing.	little or no evidence of the production of a range of drawings in which the description of surfaces and textures influences the appearance and meaning of the drawing.	the ability to produce a range of drawings in which the description of surfaces and textures influences the appearance and meaning of the drawing	
		2.2	Select and use appropriate materials and methods for reproducing a range of drawings.	little or no evidence of the selection and use appropriate materials and methods for reproducing a range of drawings	the ability to select and use appropriate materials and methods for reproducing a range of drawings	

LO3	Understand contextual perspectives and approaches to drawings, surfaces and textures	3.1	Analyse and evaluate contextual research to inform practical work.	little or no evidence of analysis and evaluation of contextual research to inform practical work.	the ability to analyse and evaluate contextual research to inform practical work.	
		3.2	Use contextual research to inform practical work.	little or no evidence of using contextual research to inform practical work.	the ability to use contextual research to inform practical work.	

REFERRAL *(delete section if not applicable)*

You have failed to achieve the following assessment outcome(s) to successfully pass the course.

- You have ONE opportunity to resubmit work with appropriate evidence to achieve the outstanding criteria(s).
- Failure to meet the criteria on second submission will result in a **fail**.

Assessment outcome referred. *(input the referred outcome(s) and outline task(s) to be completed.*
