

## **ROOT CAUSE ANALYSIS:**

### **WHY did I masturbate and watch porn today?**

- a. Because the idea that “God ₣ is always watching!” wasn’t on top of my mind and because the idea that my brothers will see and openly criticize me about my sin wasn’t on top of my mind also.

### **WHY wasn’t the idea that God Jesus Christ is always watching and the fact my brothers will shame me after hearing what I’ve done... on top of my mind?**

- a. Because I was openly avoiding these thoughts, and because they weren’t easily-seeable in the toilet.

### **Why was I openly avoiding these thoughts and why weren’t they written by me in the toilet (as a room)?**

- a. I was openly avoiding these thoughts, because deep down I knew they would stop me from getting what I wanted at that time - quick pleasure.
- b. They weren’t written by me in the toilet-room because I knew they would’ve prevented me from masturbating and thus not feeling pleasure.

### **Why was I looking for some quick pleasure?**

- a. Because I was bored and didn’t really had work on top of my mind, therefore I gave in to satan’s temptations which is 100% my fault.

### **WHY didn’t I had work on top of my mind and therefore gave in to satan’s temptations which is 100% my fault?**

- a. Because I didn’t put work in front of me (like I literally didn’t put the tasklist at my face), which is 100% my fault and prevented me from getting to work and instead failing to the temptation and giving in to the distraction.

**If I keep avoiding to put the tasklist literally AT MY FACE, then I won’t be able to do ANY client work, will keep sinning and ultimately this will result in me ruining the chance that God Jesus Christ gave me to set myself from staying broke for the rest of my life and God Jesus Christ saying to me “I never knew you, depart from me you evildoer!” and me being sent into the fire lake.**

**But IF I instead put the tasklist literally AT MY FACE, then I will complete ANY client work I have at hand, will make \$10,000 and ultimately, I will set myself free from the financial enslavement by becoming wealthy and I will also be a righteous man in God the FATHER’s ₣ eyes.**

How can I implement the solution RIGHT NOW?

- a. Get my folder where I used to keep my tao of marketing diagrams 
- b. Pull out a page-pocket 
- c. Glue or tape it to the wardrobe on my left or on the drawer on my right or on my desk 
- d. Then when I plan tomorrow, I put my plan straight into that pocket so it can be right at my face (this being done every single day when I plan tomorrow's day)  → **(WILL BE DONE!)**
