Ms. Bergschneider:

Mrs. Gordon: vcbnhtb  
Mrs. Humphreys: lhawnx3

**Welcome to remote learning! This is the week of 5/17 - 5/21**

<b>Evolution</b>	<b>Objective</b>	<b>Agenda</b>
<b>Lesson 1</b>	Today I can describe an adaptation and how the adaptation helps an organism survive in its environment.	1. Research weird adaptations and complete the <a href="#">Adaptation Introductory Lesson</a>
<b>Lesson 2</b>	Today I can describe how two naturalists (scientists who study nature) worked to develop the theory of evolution.	1. Watch the video, " <a href="#">The Making of a Theory</a> " 2. Complete " <a href="#">The Making of A Theory. Fact Patterns</a> " worksheet. a. As you watch, fill in the table and answer the questions.
<b>Extension</b>	Today I can further my knowledge of Charles Darwin by selecting a project that dives deeper into his work and life.	1. Check out this <a href="#">menu</a> of project ideas. a. Check out some past examples with <a href="#">this video</a> b. Choose ONE item from the menu and post a picture of the project on your teacher's Google Classroom
