Privacy Policy for Block Tetris: Crush Blast

Last updated: July 7, 2024

Introduction

Welcome to Block Tetris: Crush Blast ("we," "our," or "us"). We respect your privacy and are committed to protecting your personal information. This Privacy Policy explains how we handle information when you use our mobile game.

Information We Collect

Information You Provide

We do not collect any personal information that you directly provide to us.

Information Automatically Collected

Game Settings: We store your game preferences (sound settings) locally on your device using Android's SharedPreferences

AdMob Data: Google AdMob may collect advertising-related data as described in their privacy policy

How We Use Information

Game Settings

To remember your sound preferences between game sessions

To provide a personalized gaming experience

AdMob Data

To display relevant advertisements

To improve ad performance and user experience

Information Sharing

We do not share, sell, or trade your personal information with third parties.

The only data sharing occurs through:

Google AdMob: For advertising purposes (subject to Google's privacy policy)

Android System: For basic app functionality (vibration, network access)

Data Storage

Local Storage

Game settings are stored locally on your device

No data is transmitted to our servers

Data is automatically deleted when you uninstall the app

Third-Party Services

Google AdMob: Handles advertising data according to their privacy policy

Google Play Services: For basic Android functionality

Your Rights

You have the right to:

Access: View what data is stored locally on your device
Delete: Remove all data by uninstalling the app
Opt-out: Disable ads through your device settings

Children's Privacy

Our app is suitable for all ages and does not knowingly collect personal information from children under 13. If you believe we have inadvertently collected such information, please contact us.

Data Security

All data is stored locally on your device
No data is transmitted to external servers
We use standard Android security measures

Third-Party Services

Google AdMob

Purpose: Display advertisements
Data collected: Advertising identifiers, device information
Privacy Policy: https://policies.google.com/privacy

Google Play Services

Purpose: Basic app functionality
Data collected: Device information for app operation
Privacy Policy: https://policies.google.com/privacy

App Permissions

Our app requests the following permissions:
VIBRATE: To provide haptic feedback during gameplay
INTERNET: To display advertisements
ACCESS_NETWORK_STATE: To check network connectivity for ads

Changes to This Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy in the app or on our website.
