

How to Create 20 Posts for LinkedIn in 1 hour with AI

(This training was originally recorded as a workshop. So I talk about the workshop in the tutorial. Swap out workshop for training!)

Tutorial for Training:

<https://www.loom.com/share/ba164ac838d04fedad0714e9b662b139?sid=ed751c4e-bbe8-4016-8a18-f9656aeeb0f0>

Example Prompt for Chat GPT (this is the information that I'm going to share with ChatGPT before I ask it to produce content ideas)

I am a LinkedIn Coach.

I am launching a Content Membership called Let's Get Visible.

My target market is Coaches and Service Based Businesses who want to land more clients using LinkedIn.

Please confirm you understand what my business sells, and who it helps.

Your Turn:

What do you do?:

What service do you offer?

What's your ideal target market?
