Dear Parents/Carers,

RE: 'The 100 Club' and Donations

I start by thanking you for your ongoing support and generosity whether you make monthly contributions or support our Friend of Redden Court in their efforts to assist us financially. These funds raised help support essential parts of our school curriculum that our students benefit so much from. With budgets in education as tight as ever and costs spiralling so much we have come to heavily rely on this source of income and in truth, should it not be available, then we would have to make do without many of these items. We are incredibly grateful for all contributions regardless of the amount. Last year, with the help of donations, we were able to purchase a brand new minibus which our students have benefited immensely from.

Some of you may know that we run the initiative **The 100 Club** which allows our parents, who are linked to local businesses, to share their contact details with our school community 6 times a year through our community newsletter. Income from **The 100 Club** has the potential to provide huge benefits to our students whilst supporting local, family run businesses. The cost of this privilege will be a minimum donation of £100 per year with all proceeds going to support our Personal Development and extra-curricular programmes. The below Google form will allow you to detail the name of your business, key contact details, a brief explanation of the service you provide and your location. The second link below will take you to our online shop where you can make payment for **The 100 Club**. These details will then be shared half termly with the 1st edition due out October half term. If you are interested, please act promptly to maximise your exposure to our school community. Whether you offer a plumbing service, a cake business or something a little different we are happy to share it if appropriate for a school community. This is a small gesture to help local businesses, but also offers the opportunity to further develop the experiences of our students at our school.

We also really appreciate those families who have set up donation mandates from their bank accounts and make monthly contributions. These monthly contributions do have an enormous impact on what we are able to offer. Should others wish to set up monthly contributions then please contact our Finance Department who can be contacted at finance@sfaet.co.uk for a bank mandate and gift aid form which you can take to your bank and for those using online banking our details are:

Lloyds Bank plc

Sort Code 30-97-13
Account No 47190568

Over the last few years we have seen massive improvements in the quality of the school infrastructure and building which has enabled us to manage our expansion and afford our students the very best facilities. Such improvements include a brand new MFL block, a new minibus and by Christmas the replacement roofing on our main building should be completed.

I would once again like to further thank the marvellous Friends of Redden Court and those that support them with their time, efforts and who attend events they hold.

Thank you for your ongoing support, it really is very much appreciated.

Yours sincerely,

Mr A Henry
