

## Johansen Instrumental Music

## **Student Sponsorship Form**

2021-2022 School Year

In support of the 2022 New York "Sounds of Summer" Festival

By sponsoring this student, you are helping them gain access to experiences not available without financial support. Each student has a goal of \$1,500 total throughout the year to raise in support. They have opportunities to earn via fundraisers and work at specific events, but sponsorship from you is going to be some of the most impactful because you will show them how much their learning means to you. Thank you in advance for your support.
