Drugs / Alcohol / Tobacco & Weapons

Keep schools safe by keeping Drugs / Alcohol / Tobacco & Weapons away from school property. If you hear, see or suspect something, communicate with a teacher or adult in the building.

School Closings and Drills

In the event school is closed or there is a disruption in classes, information can be found on the school website and robo calls will go out to primary and secondary phone numbers on file. In case of emergency, parents and guardians can stay tuned to the website and the auto alert system for updates.

As a class, we will practice for emergencies each month.

Technology Usage / AI / Academic Honesty

The technology we use each day is the property of EWSD. Using and having access to technology is a privilege and not a right.

Copyright infringement, cyberbullying, harassment online, inappropriate content are just some of the ways in which technology can be abused. We will use technology to enhance our learning. We will practice academic honesty and integrity by presenting our own work and not those of others or AI. AI will be used as a tool and a resource in our learning.
