A powerful, cinematic patriotic portrait of a person standing proudly and saluting the Indian national flag. The person has a sharp facial features, and is wearing a dark jacket. His expression is serious, respectful, and filled with pride as he looks upward toward the waving Indian tricolor flag. Small Indian flag sticker on subject's chest. The Indian flag is also mounted on a tall flagpole behind him, fluttering strongly in the wind, with the saffron, white, and green colors vivid and the Ashoka Chakra clearly visible.

The background is dramatic and moody, featuring dark stormy clouds, mist, smoke, and rocky mountainous terrain, creating a heroic and intense atmosphere. Subtle fog and dust effects surround the subject, enhancing the cinematic depth and emotional impact. At the bottom of the image, bold patriotic typography reads “HAPPY REPUBLIC DAY”, with “HAPPY” in saffron/orange, “REPUBLIC” in white with a textured distressed effect, and “DAY” in green. Above the text, the date “26 January 2026” is displayed, flanked by small Indian flag icons and heart emojis in saffron, white, and green, reinforcing the national theme. Lighting is dramatic with soft highlights on the face and flag, strong contrast, and a cinematic color grade emphasizing deep shadows, rich textures, and vibrant tricolor hues. The overall style is ultra-realistic, high-resolution, patriotic, and emotionally powerful, suitable for Republic Day posters or social media artwork. Ultra-high 8k resolution, sharp details, cinematic realism Mood: Patriotic, heroic, proud, emotional Style: Cinematic photography, dramatic lighting, national pride theme. Keep the face same as the uploaded photo.
