### **To prepare your core for shipping:**

- Drain all fluids (oil, fuel, etc.)
- Use plastic plugs, caps, or other plastic and tape items to minimize fluid leakage from pump during shipping
- Wrap in sturdy plastic bag to prevent leakage and use appropriate internal cushioning when packaging in a double-walled cardboard box
- **Complete this core return form and place inside the package.** Core credits may be delayed or denied if this form is not present with the core return.
- Please e-mail the tracking number and invoice number to yankeedieselinc@gmail.com
