OPERATION CASTLE ROCK

**This is the systemic reset.
The storm before the sunrise.**

Castle Rock isn't a rumor — it's the exposure phase. The Deep State, CCP puppets, traffickers, and political traitors getting dragged into the light. Military tribunals. Confessions. No more shadows.

**1776 principles restored.
Fraud elections overturned.
Global corruption exposed.**

**The old financial system collapses — Quantum replaces fiat.
Stolen wealth returns to the people.
The Cabal loses control.**

**There will be fear. Blackouts. Market crashes.
War rumors.
But chaos is the cover for cleansing.**

But chaos is the cover for cleansing.

You're not watching destruction.

You're watching a reset.

Prepare for the storm.

 **HOLY CRAP! Maryland Sheriff Michael Lewis of Wicomico County ERUPTS on state Democrats trying to ban police from working with ICE**

He's SURROUNDED by his fellow Maryland sheriffs: "We as elected sheriffs are FED UP with it! You don't see this many sheriffs in one location in the state at any given time!"

"This is nothing more than POLITICS over PUBLIC SAFETY!"

"But we have to come together in unison to stop the ridiculousness that's going on up here in Annapolis, Maryland. And lawmakers need to wake up and realize Marylanders and the American people want public safety over

politics, and they're not getting it."

@realDonaldTrump

Great news for America, and our wonderful White House! The Judge on the case of what will be the most beautiful Ballroom anywhere in the World, has just thrown out, and completely erased, the effort to stop its construction. As everyone knows, not one dollar of Taxpayer money is being spent, but rather, all money necessary to build this magnificent building is being put up by Patriot Donors and Contributors. The Ballroom construction, which is anticipated to also handle future Inaugurations and large State Visits, is ahead of schedule, and under budget. It will stand long into the future as a symbol to the Greatness of America!

China is building a military surveillance network in our hemisphere and most Americans have no idea it's happening.

The House Select Committee on China just released a report documenting at least 11 PLA-linked sites across Latin America, ground stations, telescopes, and space tracking facilities operating under civilian cover with military purpose. Argentina. Venezuela. Bolivia. Chile. Brazil. They are calculated positions selected for orbital coverage, political insulation, and long-term strategic leverage. What looks like scientific cooperation on paper is, in practice, strategic encirclement.

▼ THEY DIDN'T JUST QUESTION A FORMER FIRST LADY. THEY EXPOSED A LIAR.

This is not a deposition. This is a reckoning.

TODAY, February 26, 2026, Hillary Clinton was forced to testify under oath for OVER 6 HOURS about her connections to Jeffrey Epstein.

Her defense? "I HAD NO IDEA."

She claims she doesn't recall ever meeting him. She claims she never flew on his plane. She claims she knew nothing.

But the facts tell a different story.

FACT #1: Ghislaine Maxwell, Epstein's right-hand woman, was a guest at Chelsea Clinton's wedding in 2010. Hillary says she was just an "acquaintance" who came with someone else. An acquaintance... at your daughter's wedding?

FACT #2: Bill Clinton's name is all over the

that TRUMP be questioned under oath.

This is the classic Clinton playbook: deny, deflect, and attack.

But this time, it's not working.

Patriot hero Rep. Lauren Boebert took an unauthorized photo of Hillary during the closed-door hearing and leaked it to the world, exposing the sham. Look at her face. Does that look like someone who has nothing to hide?

They tried to hide. They tried to lie. But the truth is coming out.

And tomorrow, February 27, it's Bill's turn.

The storm is here. And it is hitting the heart of the Deep State.

Hillary Clinton doesn't know Epstein, but Bill and Hillary were FREQUENT guests at Epstein's New Mexico "Zorro" ranch after they left The White House. Bill was described as his "closest celebrity mate."

The White House visitor logs also revealed 17x trips from Epstein to The White House, including a dozen times in 1994, and 2x in one day on 3x different occasions.

Don't forget Epstein being one of the original founders of the Clinton Global Initiative, Bill flying 26x on the Lolita Express, or Maxwell at Chelsea's wedding. I'm sure Hillary never knew Epstein.

EXCLUSIVE: Bill Clinton was Jeffrey Epstein's closest 'celebrity mate' and a frequent guest at his New Mexico ranch with wife Hillary, staying at the pedophile's cowboy-themed village, say estate workers

- Bill and Hillary Clinton would stay at Jeffrey Epstein's New Mexico ranch frequently after they left the White House, former estate workers told DailyMailTV
- The former president was Epstein's closest 'celebrity mate' and the Clintons visited Zorro Ranch 'a whole bunch of times', a former contractor who ran the IT system at the property said
- The family never stayed in the main house but bunked down in a special cowboy-themed village created by Epstein, which lies a mile south of his own villa, sources said
- The guest homes are next to other traditional Wild West-style buildings such as an old schoolhouse and saloon bar, which are all near Epstein's private airstrip, where he arrived on his private planes
- This is all according to security expert Jared Kellogg, who was brought in by long-standing ranch manager Brice Gordon to improve security and set up a camera system at the main house and 'cowboy village'
- Kellogg said: 'I was saying how cool the replica houses were. [Gordon] said: "Yeah, they're built for guests... It's really cool the Clintons come out and hang out [with Epstein]"'
- Bill Clinton and Epstein were once friends, and in August DailyMailTV revealed the convicted pedophile had a bizarre portrait of Bill in a dress - worn by Hillary - hanging on the wall of his New York mansion

Here it is:

Wisconsin's WisVote voter database for the 2020 election:

It listed a staggering 7.1 million registrants, even though the state had only about 4 million eligible adults.

And it gets worse: of those 4 million adults in Wisconsin, not all are registered, and not all vote. The actual number is closer to 3.6–3.7 million.

Meaning: it's easy in the Dominion rigging system to assign a person—an illegal alien from the voter rolls—to a mail-in ballot.

Pass the SAVE Act.

Ooops Daisy - The UK has just issued a ruling that Doctors will be solely responsible for the consequences of Covid injections because they were free to refuse to inject.

Is this going to happen in the USA - Doctors are still pressuring their patients to get the injections and are still mandating for children, and as it turns out they should have known better.

“You either need to transition your child or you don’t get to keep your child.”

Attorney Erin Friday says California Child Protective Services can threaten parents who

refuse to use their child's preferred pronouns.

She told me she feared calling the police when her 13 year old daughter ran away because she worried CPS would take her child.

“My daughter, who was 13 years old, just starting high school, was secretly socially transitioned at school.”

“The school started to call my daughter by a male name, use male pronouns.”

“When I called the school and told them to stop, that next week Child Protective Services was at my door.”

“The next day, the police.”

“That was an immediate alert to me that the school wants to parent my child.”

“If I didn't follow and call my daughter a boy, Child Protective Services may come and take my child away.”

“Parents in Southern California had lost custody of their children because they wouldn't

“I already had a black mark, and a few months later my daughter ran away.”

“The normal thing for a parent to do is to ask law enforcement to help find your child... but I couldn’t make that phone call.”

“Because Child Protective Services can swoop in anytime and take my child.”

“It’s coercion at its highest level.”

“You don’t get to parent your child.”

“This is America. This is insane.”

Lightworkers

Empaths are currently being blasted by "**light codes**" at such an extreme rate right now.

Light codes always show up first as shadow, density, heaviness, illness, sickness, exhaustion, until the physical body & nervous system learns how to hold this level of voltage & light.

These light codes are creating a myriad of forms of physical illness & discomfort right now such as heavy chest, aching throat, exhaustion, nausea, upset stomach, and aching lower back and root chakra.

Old wounds are resurfacing because they know you're about to cross over into an entirely new frequency where their memory will no longer remain.
