Driftless MTB Race Weekend Info

NOTE: this is not a comprehensive doc, it is a *team-level overview.*
All families are responsible for reviewing the league race/event guide.

SATURDAY SCHEDULE

PIT ZONE: Riders can meet up at the Driftless Pit Zone anytime after 11:30 a.m. Parents, please use the Pit Zone area as "standing room only" to help us alleviate crowds/provide space for coach and rider communication. Rider/coach bikes ONLY in the pitzone; no family bikes/camp chairs, please!

GRiT (Girls Riding Together) Pre-ride
Meet in the Driftless Pit Zone at 11:30, pre-ride at 12:00 p.m. GRiT activity to follow at 2 p.m. at the GRiT tent.

TEAM PRE-RIDES: Driftless MTB coaches will lead pre-rides throughout the day, leaving **every half hour** from 1PM until 4PM. The 4PM pre-ride will be a "fast lap" that does not include stops/sessioning. If your rider would like to ride the course on Saturday, they can join their coaches/teammates at our Pit Zone for one of these rides. **All riders must be with a licensed coach while pre-riding the course**. Riders are invited to participate in as many pre-rides as they would like. Riders should gauge the distance/number of laps they pre-ride so as to not overdo it the day before the race!

FAMILY COURSE/VENUE TOUR: Driftless board member Ambra Baldwin-Hart will be leading a tour for any interested parents/families. This tour will go through the venue and showcase important areas/places to spectate and cheer, and she will also answer any questions you have about the event!

DINNER: Families are welcome to coordinate dinner plans together! Please connect and enjoy each other's company! Use the Teamsnap race day event chat to communicate.
Head coaches/team directors will not be organizing these plans. Parents/families are welcome and encouraged to organize.
