A note from Mrs. Chern... We are settling into our new space with a new attitude this track in. Hopefully your child has talked to you about our new focus on having an "Attitude of Gratitude". We listened to a story called "The Gratitude Jar" and made gratitude bags to start collecting the things we are thankful for. We have learned that this type of positive thinking makes us happier people. They are so excited about it! We even play a gratitude game each day at morning meeting. Believe it or not we are almost at the halfway point of this quarter. Interims will go home the week after Thanksgiving. We are doing a lot of work on learning math facts. Your child did a placement test on X-Tra Math this week. Hopefully they showed you. Their score is in their D.O.T. notebook. They can log into extra math at home and practice. Our goal is to learn all our facts and be at 100%.

Upcoming Week's Standards...

Reading: Character development, comparing characters, retelling stories and remembering the key details

Writing: Revising and Editing opinion writing

Spelling: Review of tricky words

Math: Comparing double digit numbers, solving word problems using comparing

Social Studies: *Our Community Celebrates* What are National Holidays? How and Why do we celebrate them?

Homework ... No homework next week. Enjoy Thanksgiving break. Don't forget the family holiday project is DUE TUESDAY :)

Upcoming Events...
