Contoh CV Summary/ About Me Fresh Graduate/ Career Objective Inggris

With no Experience:

I am a recent graduate with a Bachelor's degree in Psychology from the (*name of university*) achieving a GPA of 3.5. Throughout my academic journey, I developed a strong interest in understanding human behavior and mental processes, with a focus on applying psychological principles to real-world situations. Although I do not have formal work experience, I actively participated in academic projects and organizational activities that honed my communication, problem-solving, and teamwork skills. I am eager to contribute to a dynamic organization where I can apply my knowledge and continue learning.

With little Experience:

I am a recent graduate with a Bachelor's degree in Psychology from the (*name of university*), achieving a GPA of 3.5. Throughout my academic journey, I developed a strong interest in understanding human behavior and mental processes, particularly in recruitment and organizational psychology.

I have 4 months of internship experience in the Recruitment Section, where I gained hands-on experience in candidate screening and interview processes. Additionally, I worked as a part-time Admin Staff for 8 months, which helped me enhance my organizational, multitasking, and communication skills. I am eager to apply my knowledge and skills in a professional setting while continuing to grow.
