Definition of a Scrimmage

A scrimmage is a practice that is a **SIMULATED CONTEST**. In scrimmages: (a) both squads use the same field simultaneously with both coaches making corrections and giving instructions, (b) **GAME RULES MUST BE ALTERED – SEE SPORT SPECIFIC REQUIREMENTS NYSPPHSAA Handbook page 109**, (c) no official score is kept, (d) time period(s) are defined in the Sport Standards section of the NYSPPHSAA Handbook, (e) no admission is charged. The use of officials would be permitted and encouraged whenever possible for the purpose of instruction regarding the rules and proper application of rules. A wrestling scrimmage must include *one or more* of the following:

1. Must wrestle in predefined situations such as pinning, takedowns, turns, etc.
2. Must wrestle in a neutral position. If a takedown occurs it would go back to the neutral position.
3. Must wrestle in the referee's position using both styles. If a pin occurs, restart in the referee's position.

If the section allows the wrestler to participate,they will still be allowed to earn power points if they become a Sectional Champ and place at the NYS Tournament.

Communicable Disease Procedures

While the risk of one athlete infecting another with HIV/AIDS during competition is close to non-existent, there is a remote risk that other blood borne infectious diseases can be transmitted. For example, Hepatitis B can be present in blood as well as in other body fluids. Procedures for reducing the potential for transmission of these infectious agents should include, but not be limited to, the following:

1. The bleeding must be stopped, the open wound covered, and if there is an excessive amount of blood on the uniform, it must be changed before the athlete may participate.
2. Routine use of gloves or other precautions to prevent skin and mucous membrane exposure when contact with blood or other body fluids is anticipated.
3. Immediately wash hands and other skin surfaces if contaminated (in contact) with blood or other body fluids. Wash hands immediately after removing gloves.
4. Clean all contaminated surfaces and equipment with an appropriate disinfectant before competition resumes.
5. Practice proper disposal procedures to prevent injuries caused by needles, scalpels and other sharp instruments or devices.
6. Although saliva has not been implicated in HIV transmission, to minimize the need for emergency mouth-to-mouth resuscitation, mouthpieces, resuscitation bags, or other ventilation devices should be available for use.

7. Athletic trainers/coaches with bleeding or oozing skin conditions should refrain from all direct athletic care until the condition resolves.
8. Contaminated towels should be properly disposed of/ disinfected.
9. Follow acceptable guidelines in the immediate control of bleeding and when handling bloody dressings, mouth-guards and other articles containing body fluids.
10. Refer to the State Website for the appropriate form Physician Release for Wrestler to Participate with Skin Lesion(s) click here for Skin Lesion(s) Form [Updated Link](#)

Section VI Postseason Procedures for 2025-2026

. ALL COACHES MUST SUBMIT a COMPLETE AND UP TO DATE NYSPHSAA RECORD FORM for each wrestler entered prior to the seeding of the Sectional tournaments (Printed from TrackWrestling). They must also submit a weigh in sheet from TrackWrestling showing that their entries are eligible for the weight class as shown on their descent plans.

Entries: Schools may enter up to 15 wrestlers total with a maximum of 2 per weight class. If there are 2 entries in any weight class, both entries must have a minimum of 6 varsity contests (on 6 separate dates) All matches (Public, Private, Catholic, Federation) will count towards a wrestler's record. The tournament will be standard double elimination. If there are more than 16 wrestlers entered in a weight class, the school whose "second entry" has the worst win-loss percentage" will be forced to move to another weight class or withdraw from the tournament. Additional tiebreaking criteria will be established in the event that there is more than one second entry with identical records (to resolve which wrestler has to leave the weight class with more than 16 entries). All wrestlers are officially entered in the sectional tournament once the seeding process begins. A wrestler cannot be moved once the seeding process begins for the first weight class as all coaches are afforded the opportunity to see all entries prior to the seeding meeting. To be eligible for sectional or state competition, contestants in individual sports must have represented their school in six (6) scheduled contests. The required contests must occur on six different dates and must be concluded prior to the conclusion of the team's regular season. A "forfeit" counts as a contest as long as the named wrestler is listed (as winning by forfeit) in the TrackWrestling results for that contest. **Therefore, NO wrestler should be entered with fewer than 6 contests listed on their NYS record form heading into the postseason, unless the Section grants a wrestler a "minimum contests waiver".**

All coaches must complete the Section 6 seeding spreadsheet for their Sectional tournaments by Monday, February 1st at 6:00pm) It must be submitted via e-mail to Israel Martinez at Coachiz67@gmail.com LINK FOUND ON [CALENDAR PAGE 3](#).

Seeding Criteria: To be considered for a seed in a weight class, a wrestler must have a better than .500 Overall varsity record. Private / Catholic and out of Section matches all count for seeding. If a team enters two contestants in the same weight class, BOTH wrestlers must have a .500 record and must have represented his/her school in 6 varsity contests. (Just weighing-in does **NOT** count as a contest). Seed all participants who merit such according to established Section 6 seeding criteria. Any byes will be randomly drawn.

Section 6 tournaments will be seeded according to the Section 6 points based seeding mechanics that are posted on the Section 6 website. [Section VI Seeding Mechanics on page 21](#)

Before a wrestler can be entered into the Sectional Tournament, the coach must submit a complete and up-to-date NYS District Reporting Record Form as provided by the TrackWrestling website that is signed by both the coach and the participating wrestler prior to the beginning of the seeding meeting for the sectional tournaments. **All Schools are strongly encouraged to complete all regular season dual matches before February 3rd, 2026.**

Section VI Seeding Policy 212.6 Any school who has not submitted complete and up-to-date seeding information to the sport chairs by the requested dates for the seeding meeting will be excluded from the sectional tournament.

Awards: . The top four place winners in each weight class at the **Sectionals** will receive sectional patches.

Admission for Divisional Tournaments: \$7. Digital Tickets [Purchase Event Tickets](#).

Sectional Tournament

The MWC shown in a wrestler's weight loss plan on February 3 shall be final. The WLP will no longer recalculate after this date.

Seeding: The Section 6 Championship tournament will be seeded on **Tuesday February 10, at Erie 1 BOCES, room B1 Webex info TBA**). ALL COACHES are required to participate. If a coach is NOT present to represent his team, he will have to accept the end results of the seeding process with no appeals allowed. He will be risking the omission of a head to head win/loss that may affect the integrity of the process. It may also result in his wrestler being seeded in a worse position. DO NOT depend on other coaches to do your job.

If a seeded wrestler drops out of the tournament after seeding has taken place, seeds will simply roll (if 3 drops out, 4 becomes 3, 5 becomes 4 etc). If a non-seeded wrestler drops out of the tournament, he will be replaced by a bye if the team has no replacement (bracket balance may have to be adjusted). Teams will be allowed to replace any wrestler who drops out up until Thursday, Feb 12th. No replacements after that date. Second entry replacements must qualify under the set standards.

True second place match: The top 2 place finishers from both of our State Qualifying tournaments (D1 and D2) will represent their schools and Section 6 at the NYSPHSAA Individual State tournament. A true second place bout will take place during the finals (in weight class order) if the 2nd place finisher and the 3rd place finishers have not faced one another in the same State Qualifier tournament. The winner of any true second bouts will be named the actual second place finisher of the tournament. The loser of the true second bout will be named the 3rd place finisher of the tournament. Any wrestler who forfeits from a true second match will be considered the loser and will be named the 3rd place finisher.

To allow any participants involved in a true second match equal time for recovery, all finals matches (1st-2nd, 3rd-4th) will take place on two mats; side by side. Any true second matches that have to be contested will take place in weight class order at the beginning of the second round of any finals matches that may have to be contested.

Cancellation and Rescheduling Policy Section VI Divisional & Individual Sectional Wrestling Tournaments

1. Divisional and Section VI Tournaments will be canceled if:

- a) The host school is closed and not available for use. OR
- b) Five or more schools are not allowed to participate because of bad weather..
- c) No host sites are available

If the Divisional Tournament is canceled on Friday:

The Tournament will become a one-day tournament beginning at 9 a.m. on Saturday. The rulebook will be used to determine team points and places in the event that wrestlers have already competed in six bouts that day

If the Tournament is held on Friday but canceled on Saturday because of either items #1 or #2, the four semi-finalists and all pre-approved medical wildcards will advance to the Sectional Tournament.

If the Divisional Tournament is canceled on both Friday and Saturday, the top four seeds in Division 1 and the top 5 seeds in Division 2 (updated 2-3-22) and pre-approved medical wildcards will advance to the Sectional Tournament.

If the Divisional Tournament is conducted but a school is unable to attend and participate because of bad weather, any wrestler from that school who was seeded in the top four or a fifth seed determined by criteria #9, will be awarded a wildcard to the Sectional Tournament. ALL ENTERED wrestlers will be seeded as usual; using the current Section 6 seeding mechanics. (Language changed 2-3-22 as it was deemed out of date with current seeding practices).

- 2. Decisions not to participate should be made at the earliest possible time. The tournament chairman should be notified immediately so final decisions can be made and all schools notified of this decision.
- 3. Any school that is closed due to bad weather but is allowed to participate must provide to the tournament chairman written authorization to participate from a school administrator.
- 4. Please review additional Section VI requirements in the Contingency Plan below.
- 5. IF Sectional (State Qualifier) competition cannot be rescheduled; The top 2 seeded wrestlers will advance to state competition. A smaller scale Sectional competition may be held with only the top 4 seeds, if a site is acquired.

Contingency Plan for Sectional Competition (weather or illness)

- 1. Contests will be postponed only if a participating school is officially closed due to weather or illness. (Item #1 in Cancellation and Rescheduling Policy for Sectional Wrestling Tournaments takes priority)
- 2. It is the responsibility of the Athletic Director (or designee) to notify the Sport Chairperson that the school has been closed due to weather conditions (or illness) as soon as he/she becomes aware of such action. Officials and the media will be notified by the Chairperson (or designee).
- 3. In the event that a school is closed on the day its playoff contest is scheduled, the decision to participate shall rest with the District Superintendent.
- 4. In the event that weather conditions reverse themselves prior to game time, the game may be played with the mutual consent of the participating Athletic Directors and the approval of the Sport Chairperson.
- 5. When a contest is at a non-school site: If the competition facility and the roads to that destination are open, then the competition will go on as scheduled. (Item #1b in Cancellation and Rescheduling Policy for Sectional Wrestling Tournaments takes priority) If either the roads or the facility are closed, then the competition will be canceled. ***Under NO CIRCUMSTANCES is a site contracted by Section VI available for practice when a competition is canceled.***
- 6. The Sport Chairperson will notify the Executive Director of any postponements.
- 7. **PLEASE NOTE:** It is up to the individual leagues to recognize the potential for snow days, power outages, etc. that may cause cancellations and problems. The individual leagues should schedule their last league contest at least two to three days prior to the seeding meeting, allowing for a make-up league contest(s) prior to the seeding meeting if necessary. The storm in Feb. 2006 that closed schools the day before the seeding meeting bears this point out.
- 8. Any health or safety threat, confirmed or unconfirmed will supersede any existing policy and will be up to the discretion of the involved member schools. (approved AC 11/13/19)l.

Contingency Plan for Section 6 Wrestling Dual Championships

- 1. If the tournament is canceled or postponed due to unforeseen circumstances (such as weather or other reasons), we will attempt to hold the tournament the following day under the following conditions:
* Only the top four seeded teams per division will compete

* Only two rounds of wrestling will take place (semi-finals; followed by the consolation and finals at the same time) – Only 2 mats would be needed per division. If two mats per division are not available at one common site, we will make every effort to secure two separate sites per division. If only one site is available and that site cannot put down four mats, both divisions will compete in a single elimination event. The losing team from the semis that scored the most points shall be named as the 3rd place finisher. Any potential tiebreaker will follow NFHS rules.

* Only four referees are needed per Division (mat assistants for both the semis and final rounds).

*If on a Sunday, the following schedule will be followed:

Weigh-ins: Noon – 1:00 (Note: all weight classes would be plus 1 pound.)

1:30 – 3:00 (Round 1)

3:30 – (Championship and consolation final)

****If no sites are available the following day for competition and there is no more time as per NYSPHSAA guidelines, the top seeded teams will be designated as our representatives to the state dual championships.

Alternate schedule if only one site is available with fewer than 4 mats total:

Weigh-ins (Noon-1:00)

1:30 – Round 1 (Division 1 semi-finals on 2 mats) Losing team is eliminated

3:00 – Round 2 (Division 2 semi-finals on 2 mats) Losing team is eliminated

4:30 – Championship finals on 2 mats (D1 and D2)

SECTION 6 POST SEASON WRESTLING TOURNAMENTS 2025-26 Individual SEEDING MECHANICS

Wrestlers will earn seeding points in three categories, winning percentage, placement points and competition points, as follows:

Winning Percentage

Wrestlers earn points in this category by dividing their number of wins by their total number of matches. This percentage is then multiplied by 100 to determine the number of points. **Example:** Record is 20-5, take 20 divided by 25 to get .80. (x 100 gives the wrestler 80 points)

Wrestlers must have **20 or more matches in order to receive the full value of their winning percentage points. Wrestlers with 10-19 matches will receive 75% of their winning percentage points. Wrestlers with fewer than 10 matches will receive only 50% of their winning percentage points.*

Placement Points

Wrestlers earn placement points for placing at States or Section 6 the previous year AND for winning Class Sectionals during the current year. For Class tournament seeding, the top 3 returning place finishers also earn place points.

Placement points will be awarded to wrestlers that placed at either the NYS or Section 6 tournament in 2023 according to the following tables (take the higher of 2 values)

*NYS Placement Points previous year		
NYS Place Finish	Points	Going up 2+ wt. classes
1	120	110
2	110	100
3	100	90
4	90	80
5	80	70
6	70	60
7	65	55

2	40	30
3	30	20
4	20	10

Class Sectional Placement Points

2nd	8	
3rd	5	

*A Wrestler can only use the highest point value from these two categories (NYS and Section Placement points)

Class Sectional Placement Points

(Previous season's points for Class seeding / Current season for Sectional seeding)

Note: Only the winner of this year's class tournament will be awarded the Class Bonus points.

Competition Points

Wrestlers earn competition points by defeating wrestlers that placed at the State Tournament or Section 6 tournament the previous season.

*Only the **highest** point value is to be used per wrestler.

The **maximum number of times that a wrestler can earn points by defeating the same wrestler is **2 (twice)**.

Points earned by defeating a NYS place finisher from the previous year		Points earned by defeating a Section 6 place finisher from the previous year)

Procedure I: Initial Point Ranking

1. Returning sectional champions from the previous year only (regardless of the weight class in which they competed in the previous year) will automatically be placed as the first seed and remain in the top position, unless another seedable wrestler in the weight class can jump him during the seeding process. If there is more than one returning sectional champion in the weight class, they will be initially ranked by point totals prior to the beginning of the (head to head) seeding process.
2. All remaining wrestlers will be listed in rank order from the wrestler with the highest number of points to the wrestler with the lowest number of points.
3. Protected Wrestlers: Any wrestler who is undefeated and whose initial point value ranks them in the Top 6 will be considered protected wrestlers. They will keep their position on the board and they can only be jumped by another undefeated wrestler.
4. Seeding: In both D1 and D2, all eligible wrestlers will be seeded; 1-8 and 1-10 respectively. Wrestlers who are not eligible for a seed will be drawn in to open lines where applicable.

Procedure II Head-To-Head Competition

1. Defaults and Disqualifications count as a head to head win. Note: A match that has started and results in a loss via an injury default, disqualification, etc. will count as a head to head advantage for the winning wrestler. Matches won via a forfeit do not give the winning wrestler a head to head advantage for seeding (a wrestler winning a match via a forfeit will be awarded any competition points that are due).
2. We will start the head-to-head evaluation with the wrestler who has the highest number of points from Procedure I. The second-ranked wrestler has the first opportunity to advance on head-to-head competition over the top-ranked wrestler. The third-ranked wrestler follows and so forth in the order of Procedure I rank. However, a wrestler may not move over an opponent to whom he has lost.
3. If a wrestler has a win over another wrestler ranked higher but has been defeated by someone else that is ranked between them, the lower ranked wrestler will be moved to the spot directly behind the wrestler to whom he has lost. (ex #6 beat #1 but lost to #2, #6 moves to #3 as long as they have not lost to #3, #4, and #5). If there are multiple wrestlers blocked by the same person, they would be placed behind the block in rank order by points.
4. In head-to-head situations where both opponents have an equal amount of wins-losses against each other (1-1, 2-2 etc), the wrestler with the highest initial point ranking total will get the better seed.
5. Where opponents have met an odd number of times, the wrestler with the best record in these matches will receive the better seed. The wrestler with the worst record will move up to his block. For example: Wrestler A is 1-2 vs Wrestler B. Wrestler A will move directly behind Wrestler B if no other wrestlers block him from moving. In other words, Wrestler A is given credit for the win (even though he has 2 losses against B). He therefore moves directly behind the block (which in this case, is wrestler B). If there are multiple wrestlers blocked by the same wrestler, they will be listed in rank order behind the blocker.
6. This will establish the seeding order.

Procedure III Bracket Development

Once the seeding order has been determined the wrestlers will be placed into the brackets and all non-seeded wrestlers will be randomly drawn in. If first round losers are to be eliminated, the top 4 seeds will receive byes.

If a wrestler scratches from the Sectional Tournament:

If a wrestler who scratches was seeded in Top 7 (D1) or Top 8 (D2), the remaining seeded wrestlers will be rotated upward to take the spot of the scratched wrestler (seeds roll up to the better seed). The weight class will NOT be re-seeded. If the wrestler who scratches was not seeded, the line they were on will become a Bye before the weigh-in and a Forfeit after the weigh-in.

Tiebreaker for total points for initial rank will be the win/loss point totals earned (winning percentage). If needed, the second tiebreaker will be most Placement points from State, Section, Class etc. Coin flip will be the final tiebreaker after all Class tournament placements are exhausted.

Note: If a seeding scenario is encountered that is not covered by the Section 6 seeding mechanics, the NYSPHSAA seeding mechanics will be used to address the issue. Otherwise, the seeding committee (or coaches at the class tournament) will vote on the seeding issue at hand.

Section 6 Dual Meet Championships Seeding Mechanics (2025-26)

Seeding will be based on a points system. Points will be earned through your team's record this year (wins-losses); combined with bonus points earned for beating quality opponents with quality records throughout the year. Teams will also earn points based on their 14 best wrestlers (Accomplishments from the prior season and wins for the current season). See attached table. Each League Representative will come to the seeding meeting with the criteria from each team in their league that has applied for consideration to attend the Section 6 Dual Championship.

This point system will be used to choose the 8 teams (per Division) in the tournament based on the end results of the seeding process.

Points for seeding are earned as follows:

1. Wins minus Losses. (Maximum of 8 Points can be earned)
2. Wins vs. NYS teams with winning percentage equal to or above 90%: +10pts (record as of seeding)
3. Wins vs. NYS teams with winning percentage equal to or above 80%: +5pts (record as of seeding)
4. Wins vs. NYS teams with winning percentage equal to or above 70%: +3pts (record as of seeding)
5. 14 best wrestlers' records from the current season and accomplishments from last year (maximum of 2 wrestlers in the same weight class can be listed among your top 14.

All teams will first be placed on the board in order of the number of total points they have scored. Once on the board in order of points scored, the following head-to-head criteria will then be used to seed the tournament:

1. We will start the head-to-head evaluation with the team who has the highest number of quality points from Procedure I. The second-ranked team has the first opportunity to advance on head-to-head competition over the top-ranked team. The third-ranked team follows, and so forth in the order of procedure. However, a team may not move over an opponent to whom it has lost.
2. In head-to-head situations where opponents met twice, the team with the highest total points will be ranked ahead. If these teams are tied with points, the team with the most recent win gets the advantage in ranking.
3. Where opponents have met an odd number of times, the team with the best record in these matches will receive the higher seed. They can still jump to the highest available seed if they are not blocked.
4. Tie breaker criteria (If teams have the same total points).
 1. # of teams that a team defeated with a .900 winning percentage
 2. # of teams that a team defeated with a .800 winning percentage
 3. # of teams that a team defeated with a .700 winning percentage.
 4. # of Points from record (wins - losses) only

5. # of returning individuals on team who placed at Sectionals in previous year
6. # of returning individuals on team who placed at Class tournament in previous year
7. Coin flip

This will establish a new quality point ranking. Teams will be rewarded for finding the best competition and challenging their wrestlers throughout the season. Common Opponents will not be used as a criterion.

Example:

Team A: Record 24-1	+8 pts
0 wins against opponents with >80% winning percentage	+0
0 wins against opponents with >90% winning percentage	<u>+0</u>
Total	8 pts
Team B: Record 12-4	+8 pts
2 wins against opponents with >70% winning percentage	+6 pts
2 wins against opponents with >90% winning percentage	<u>+20 pts</u>
Total	34 pts
Team C: Record 9-8	+1 pt
3 wins against opponents with >80% winning percentage	+15 pts
2 wins against opponents with >90% winning percentage	<u>+20 pts</u>
Total	36 pts

Under the established Criteria Team C is listed as #1, Team B goes as #2, and Team A goes #3. *Team A, although having a great record, falls to the #3 spot because they did not prove throughout the year that they could be successful against quality opponents. Both Team B and Team C wrestled quality teams throughout the year, and while taking some losses, are rewarded for beating quality opponents throughout the year.

***** Only teams from the state of New York will be considered for bonus points. Any win your team gets will be added into the final calculation of your wins-losses.**

Section 6 Seeding Info / Clarifications for 2025-26 post-season

1. **Team entry deadline is Sat, February 7 at 6:00 p.m.** Any team that does not submit their Section 6 class roster by this time **WILL NOT** be entered into the postseason. Therefore, it is imperative that all data be entered into Track Wrestling by Feb 2nd to avoid this scenario. You may enter 15 total wrestlers, with a maximum of 2 in any weight class (both must have varsity winning records) .. If you have a match scheduled or a make-up match due to a weather cancellation on this date, simply inform me, then email or call me with record updates. EMAIL YOUR SEEDING SPREADSHEET TO: Coachiz67@gmail.com
2. **Overall** records will be used in sectional seeding. Only wrestlers with a better than .500 win/loss record will be eligible for a seed. **All varsity matches count**; out of section, catholic, private, etc. **NO wrestlers are to be moved from a weight class once the seeding process begins for any weight class. Make all moves before the seeding of any weight class.**
6. Any wrestler who is disqualified at the scale due to a skin condition will be eliminated immediately. You cannot leave the premises to obtain a note. If the wrestler does not have a legal ***NYSPHSAA 2025-26** skin note at the time of weigh-ins (as any coach should know that any questionable skin condition must have proper documentation); the wrestler will be disqualified from competition.
7. You may refer to the "Section 6 Seeding Mechanics" on our site (www.section6e1b.org) for details on the seeding process.
