

Primary All Day Montessori, Afternoon Team Lead Teacher (10am-6pm)

Greene Towne Montessori School, located in Center City, Philadelphia, is dedicated to providing a stimulating learning environment for children ages 18 months through 6 years, consistent with the values and principles developed by Dr. Maria Montessori. Fully accredited by the American Montessori Society, Greene Towne Montessori School instills in young children an understanding of learning as a personal process, a sense of agency in building self and community, and the joy of possibility.

Greene Towne's "All-Day Montessori" program was created specifically for students and their families who look for care beyond the typical school day and calendar. The extension of our classroom environment builds a unique community specifically set-up for children who stay at school all day. A single All-Day Montessori classroom with fewer transitions during the day gives the children consistency of place, teaching staff and activity with the same Montessori philosophy and teaching methods, and designed to meet the physical, emotional, social, and intellectual development of children as all our programs. Families have options to enroll for 9 months or 12 months. Children are guided by morning and afternoon teaching teams, with program hours from 8am-6pm.

Greene Towne Montessori School values diversity as part of its mission, provides equal employment opportunity, and does not discriminate against any employee or applicant for employment because of race, color, national origin, disability, ancestry, citizenship, religion, age, gender, sexual orientation or any other characteristic protected by law.
