

ENERGY COLLECTIONS & AMULETS

Regular energy recharge rate is 1 every 3 minutes. Amulets can cut that rate down so your energy recharges much quicker. Some amulets can be combined with other amulets to effectively get your energy regeneration rate down to 1 energy per second.

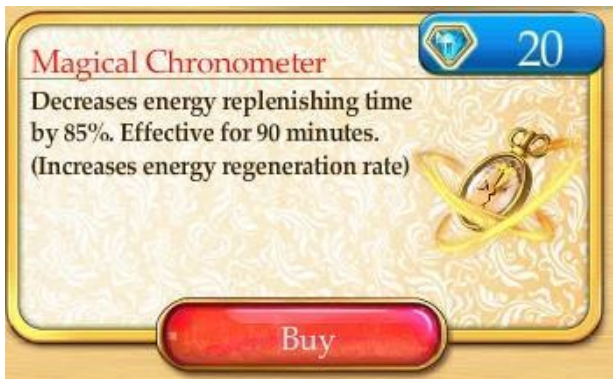

There are 3 levels of Chronometers:

- **Golden** 80% for 30 minutes
- **Magical** 85% for 90 minutes
- **Chronometer of Time**: 90% for 6 Hours
