around the corner.

## Welcome to UDistrictSeattle.com!

Below are instructions for registering, logging in, uploading/editing deals, and editing your profile. You can contact us at [daniel@udistrictpartnership.org](mailto:daniel@udistrictpartnership.org) with any questions along the way.

---

### Registering

1. Go here: <http://udistrictseattle.com/register>
2. Fill out the Registration form (at minimum the required fields marked with a \*)
3. Upload at least one business photo
4. Click the Register Business button
5. Keep an eye on your email. When your account is approved, you will receive an email notification, with a link to login to edit your profile and add deals. *If you don't see the email, be sure to check your spam/junk folder.*

*A few tips:*

- The URL you enter in the Business Website field must start with http:// or https://
- The business photo you upload should be at least 600px wide (so not a super small thumbnail photo!). And the file size should not exceed 3MB (so not a HUGE photo either!) File formats accepted are .jpg, .png., and .gif

### Editing Your Business Profile

1. If you need to edit your profile/listing, first login: <http://udistrictseattle.com/login>
2. You will then be automatically directed to the Edit Your Profile page:  
<http://udistrictseattle.com/edit-your-profile/>
3. Edit any of the fields on this page, as needed
4. Then click the *Update Business* button at the bottom of the page
