

Student Fees & Online Payment Policy

World Compass Academy utilizes various separate online payment systems which are outlined in the [Payment Corner on WCA website](#).

All payments, whether purchasing a product or paying a fee, will be done through various payment systems.

Student Fees

New Students: Annual student fees are due at the time of application and are non-refundable after July 1st. Payment must be made by cash or check made payable to World Compass Academy.

Returning Students: Annual student fees are due at the time of Intent to Return and are non-refundable after July 1st.

New and returning families that have not paid student fees or have an approved payment plan on file by July 1st may forfeit their enrollment.

Unpaid Fees Policy

Annual Student Fee - Student fees for the current school year need to be paid in full by July 1st, or a payment plan on file approved by the Business Manager. Additionally, the student may not have the right to remove their Chromebook from school premises, may lose any extracurricular privileges, may not be allowed to attend any field trips, or participate in any school related sports activities.

Families that are experiencing financial hardship may contact the School Registrar for financing options.

Explorers Club - Explorers Club fees not paid in full when billed will prevent your student from participating in any Explorers Club activities until the account is paid in full.

Athletic Fees - Athletic fees are due when the Athletic Director has stated for each sports season. Fees that are not paid by the due date for that sport will mean that the student has given up rights to participate in that sport for the entire season.

Preschool Tuition Fees - Tuition fees for preschool that are not paid by the due date set by the Preschool Director will incur a late fee.
